

**Greentech Capital Advisors is pleased to announce the following transaction:**

**GCA's Client:**

BHS Specialty Chemicals ("BHS") offers a complete spectrum of products and services to satisfy the chemical requirements of food manufacturers and other industries. An SQF 2000 Level II Certified Company, BHS provides chemicals approved and controlled for use in food manufacturing plants. Since 1998, the company has grown to become a prominent member of the chemical supplier industry. To learn more, visit <http://www.BHSpecialtychemicals.com>.

Post Capital Partners (<http://www.postcp.com>) is a private investment firm that makes both minority growth and control investments in businesses with repeat or recurring revenue models. Post Capital primarily employs an "Executive-First" deal sourcing and investment strategy in which it first identifies and partners with talented senior operating executives and then works proactively with those "Executive Partners" to identify investments. In addition to "Executive-First" platform searches, Post Capital also pursues management buyouts and growth capital investments. Based in New York City, Post Capital invests a committed capital fund with top-tier institutional and sophisticated private investors.

**Key Points of Interest:**

- DuBois Chemicals acquired BHS Specialty Chemicals, a specialty chemical manufacturer and distributor focused on food safety and water treatment solutions
- The acquisition of BHS by DuBois Chemicals combines a leading specialty chemical company for cleaning and sanitation and water treatment for the food processing sector with a developer and manufacturer of specialty chemicals solutions to the general manufacturing, pulp and paper making, transportation cleaning, and water treatment segments

- DuBois Chemicals, a portfolio company of The Jordan Company, will benefit from an extended product line and reinforced Pacific Northwest presence, as well as BHS' technical servicing capabilities
- The consideration for the transaction was undisclosed
